

Hub Announcement

Changes to the way you sign in to The Hub are coming up fast!

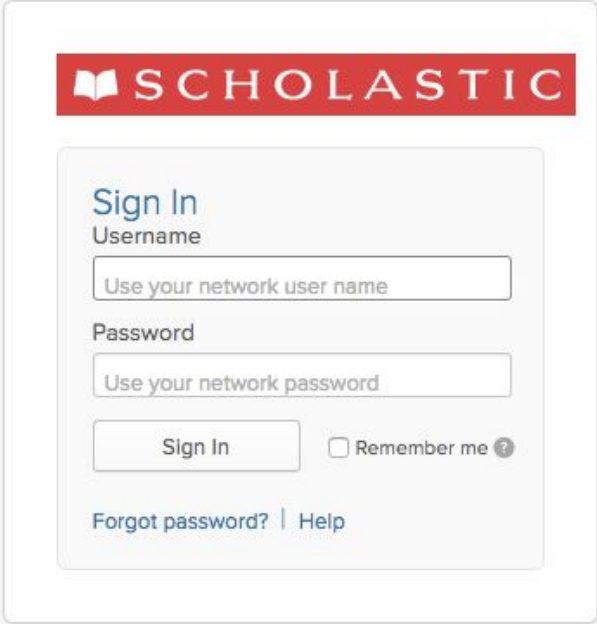

We love that you love **The Hub**. That's why we're always looking for ways to improve it and make it easier for you to use!

So what's the next step for The Hub?

We're glad you asked! Going forward, you'll be able to log into The Hub using your **Network** credentials, instead of your Access credentials. It's easier, more secure, and (bonus!) one less username and password for you to remember!

You can make it happen by following three easy steps:

- **Step 1:** Go to the thehub.scholastic.com and click the "Login" button
- **Step 2:** You will be forwarded to this [page](#), and see this screen:

SCHOLASTIC

Sign In

Username
Use your network user name

Password
Use your network password

Sign In Remember me ?

[Forgot password?](#) | [Help](#)

- **Step 3:** Enter your Network credentials, and create your security question.

- **Step 4:** There isn't one. You're done. Enjoy all of the Hub awesomeness you know and love, minus one pesky username and password.

Told you it was easy! :)

Questions?

We've got you covered. Feel free to reach out with any questions or concerns.
