

# Watch & Learn LIBRARY™

Videos have become an essential part of teaching and are one of the best tools to build learning excitement! Created by the editors of *Scholastic News®* and *Let's Find Out Magazines®*, the *Watch & Learn Library™* provides teachers with an online bank of developmentally appropriate nonfiction videos to build knowledge, vocabulary, and introduce new concepts and topics. Simple and intuitive navigation makes teaching with the *Watch & Learn Library™* an educational delight!

275+ nonfiction videos with real-world footage | Developmentally appropriate nonfiction videos aligning to science, social studies, and social-emotional curricula | Think Sheets to set a purpose for learning | Vocabulary Builder for each video | Closed captioning to support beginning readers and ELLs | Short, fun quizzes to gauge comprehension
